DECISION NO. 61033ORDER

Arizona Corporation Commission

DOCKETED

AUG 6 1998

10 Open Meeting  
August 4 and 5, 1998  
11 Phoenix, Arizona

12 BY THE COMMISSION:

DOCKETED BY

FINDINGS OF FACT

13  
14 1. AT&T Communications of the Mountain States, Inc. (AT&T) is certificated to provide  
15 telecommunications service as a public service corporation in the State of Arizona.

16 2. On July 17, 1998, AT&T filed tariff revisions to restructure its Schedule Y and  
17 Schedule Z Dial Station rates:

Telecommunications Services Tariff

Section 4, Page 11.1.0.5, Release 2

Section 4, Page 11.1.0.6, Release 2

Telecommunications Services Price List

Section 4, Page 5.6, Release 3

Section 4, Page 5.7, Release 2

23 3. AT&T proposes to replace the Day, Evening and Night/Weekend with Peak, Off-peak  
24 and Weekend rate periods. As a result, some of the maximum usage charges would increase while  
25 others would decline.

28 ...

1           4.       Because AT&T proposes to increase certain of the maximum rates for a service that has  
2 been classified as competitive under the Commission's Competitive Telecommunications Services  
3 Rules, A.A.C. Rule R14-2-1110 applies to AT&T's proposal to increase certain of its maximum rates.  
4 AT&T provided information that indicated that its expected revenue effect of approval of the filing  
5 is a net revenue reduction.

6           5.       Although it has not provided notification to potentially affected customers, AT&T has  
7 indicated that it agrees to notify its customers of the change in maximum tariff rates and provide the  
8 appropriate certification to the Utilities Division when that notice has been completed prior to  
9 implementation of the proposed tariff change.

10          6.       Staff has reviewed the filing and recommends approval.

11                               CONCLUSIONS OF LAW

12          1.       AT&T is an Arizona public service corporation within the meaning of Article XV,  
13 Section 2, of the Arizona Constitution.

14          2.       The Commission has jurisdiction over AT&T and over the subject matter of this docket.

15          3.       The Commission, having reviewed the tariff pages (copies of which are contained in the  
16 Commission's tariff files) and Staff's Memorandum dated July 27, 1998, concludes that the tariff is  
17 reasonable, fair and equitable, and is therefore in the public interest.
